

# GEOHERMAL DRILLING SERVICES QUOTE SHEET

IGSHPA Accredited Installer ID # 16595-0707

(Just Fill Out and Email to dreardon@millerenv.com or Fax Back 631.369.4909 )

**Company / Homeowner Information:**

Company Name: \_\_\_\_\_

Contact Name and Information/Email Address: \_\_\_\_\_

**Scope of Work Information:**

Site Location / Address: \_\_\_\_\_

**Closed Vertical Loop Systems:**

Quantity of Closed Vertical Loops:			
Total Depth of Closed Vertical Borings in feet:			
Depth to Groundwater in feet (if known):			
Soil Type (if known, sand, clay, rock, etc.):			
Closed Loop Diameter	3/4"	1.0"	1.25"
New Construction or Renovation:			
Grouted Bore Hole or Native Formation:			

**Thermal Conductivity Testing:**

Depth of Closed Loop in feet:			
Diameter of Closed Loop:	3/4"	1.0"	1.25"
Depth to Groundwater:			
Grout Type or Native Back Fill Construction:			
Bore Hole Diameter:			

**Open Loop Systems:**

Pumping Capacity (Gallons per minute) :	
Depth to Groundwater (if known):	
Soil Type (if known, sand, clay, rock, etc.):	
New Construction or Renovation:	
Is Salinity Testing Required (by coastal water way):	

**Horizontal Loop Systems:**

Total Horizontal Trenching Required in Feet:			
Total Depth of trench in Feet:			
Slinky or Straight Run Configuration			
Loop Diameter	3/4"	1.0"	1.25"
Depth to Groundwater (if known):			
Soil Type (if known, sand, clay, rock, etc.):			
New Construction or Renovation:			

**Pond/Lake Loop Systems:**

Pond Depth in Feet:		Number of Coils:	
Boat Ramp Access:		Coil Diameter and Length:	

**QUOTE NEEDED BY:** \_\_\_\_\_
